The awards recognizes and salute to the excellence and commitment practicing in the industry. Objective of this awards is to promote highest level of professionalism, provide benchmark for best practices, raise industry standards, reinforce the value and confidence.

REALTY QUARTER recognizes and rewards the best in this space. Most innovative performers with proven track record in excellence in Innovation, Business Acumen and technological lead will be rewarded and be known conspicuously in the current challenging and competitive market. In order to identify and awards such company and individual. The Realty Quarter award has set of the panel of judges with more than 100 of years of combine experiences in these diverse sector associate with Real Estate and Construction Industry.

WHY REALTY QUARTER ?

REALTY
QUARTER

REALTY QUARTER, established in 2016 under the guidance of Founder Mr. PAWAN CHAUHAN, is a distinguished name in the real estate sector, boasting a 17-year legacy. With a commitment to excellence and innovation, REALTY QUARTER serves as both a real estate media company and an online platform. Through its website, www.realtyquarter.com, it provides comprehensive coverage of Real Estate & Construction Industry Updates and News, including information on investment trends, property updates, research, surveys, government policies, interiors, and home improvements.

REALTY QUARTER has also organized a myriad of impactful events and activities, including HNI's & Investors Meet, ICP's & Channel Partners Meet, Real Estate Awards, Property Exhibitions, and Real Estate Knowledge Seminar. These events cater to builders, developers, and real estate marketing companies across the globe, facilitating networking opportunities and knowledge exchange within the industry.
